President's Message

Hello Colleagues and Friends, I hope that everyone is coping with the **HOT** weather and keeping cool this summer. Summer the time for everyone to spend time with family and friends. Rather is be taking that long dream vacation, going to the beach be safe.

For this edition I would like to share one of our web FAQs:

Q: Are you a B2B developer or a B2C developer?

A: I'm both. Over the many years I've been in business, I've had clients and projects that fell into both categories. That's not to say that I accept every project. When we talk, I'll ask you questions about your business. If I'm not a fit, I'll tell you up front.
