## President's Message

It is Winter and the 2015 calendar year will be coming to an end soon. **WOW Can you believe it?** We all love our technology, but can too much technology be damaging to human behavior? I encourage you to explore how you can make a difference. You can share your thoughts on our "can too much technology be damaging to human behavior." [Facebook Page](#)

Tips on how to say tech. savvy to increase your knowledge.

1. The saying that google is your friend is the best. Search the internet there is a wealth of information out there.
2. Be an expert at the technology that interests you. Find all the information you can about it.
3. Join an online community of other tech gurus and don't be afraid to ask questions.

Sincerely,  
Joseph A Gueste, MBA  
President, CEO

## New Clients!!

JGWD Solutions is taking new clients

*"We design, build, and market solutions that exceed expectations and produce results — solutions that you need"*

JGWD Solutions Receives the 2015 Best of Rancho Cucamonga Award— in the Information Technology category by the Rancho Cucamonga Award Program; which identifies companies that we believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and our community. These exceptional companies help make the Rancho Cucamonga area a great place to live, work and play.
